Where we are

ROOTED & GROWING IN CHRIST

Throughout the years, God has allowed our family to become **rooted** in Riverton, Utah. With His blessings, we have thrived so much that we have outgrown our current facilities, challenging our ability to effectively fulfill our vision of providing the Divine Service, educating children, and evangelizing to our neighbors. Now, we are **growing** again with the help and in the name of **Christ**.

The **Rooted & Growing In Christ** campaign is the next phase of our family's life. During the next three years, this challenge will allow us to flourish.

Building the necessary new facilities will require the cooperation and generosity of every family member of our church, school, and learning center. We will have to work together and respond to God's amazing gifts with our time, talents, and treasures.

Together, we will examine our personal commitments and responses to the ministry expansion and work God has laid before us.

Together, we will build a new sacred space to receive God's gifts to us in the Divine Service: His Word and Sacraments.

Together, we will build new classrooms for our dually accredited (CCLE, NALS) classical Lutheran elementary school, which will allow us to offer more children the opportunity to meet and interact with Jesus as they learn skills for productive lives.

I ask each of you to pray daily for guidance, courage, strength, and wisdom as we encourage each other in generosity and commitment and carry out the challenges that lie ahead in the construction and occupation of this new space. May God grant us all joy as we work together to expand our outreach into the community and strengthen our family for the work ahead.

God has been with us every step of the way thus far, and we grow and bloom in His Name and for His glory. Amen.

FINANCES & LOGISTICS

How much is this project going to cost? Our total estimated construction cost for Phase I will be \$1.75 million, based on current construction costs.

How much money are we expecting to raise in this campaign? Our base goal is \$1.1 million, but we also have a "miracle goal" of \$1.25 million. The difference between the total cost and the funds we raise will be financed with Lutheran Church Extension Fund (LCEF) and become part of our mortgage.

By when will we have to raise the funds? Before we start? No, we do not have to have the money before we start. We will raise the money during the next three years. In the coming months, families and individuals will be asked to prayerfully commit to giving a certain amount for the campaign, in addition to their usual tithes and offerings. We need to know the total of all commitments by the end of April for financing.

Do I need to pay all of my campaign promise upfront? No. The campaign will run for three years. You may make your contribution all at once or divide it any way that's comfortable for you.

How will our current building be used after the new building is complete? It will function primarily as the learning center. We will also use the current sanctuary space as needed for church fellowship events and other gatherings until the gymnasium is completed in Phase 2.

What if I can't afford to contribute financially? Can I support this campaign in other ways? Yes! Money is only one aspect of this campaign. Throughout the project, we hope that all members of Holy Trinity will grow in connection to our Lord and to one another. One of the most important things you can do is **pray**, which will be the primary duty of each member of our Family during this entire process. In addition, there will be activities, social events, and other Family gatherings for which you may volunteer to help.

*“For this reason I bow my knees before the Father, from whom every family in heaven and on earth is named, that according to the riches of His glory He may grant you to be strengthened with power through His Spirit in your inner being, so that Christ may dwell in your hearts through faith—that you, being **rooted** and grounded in love, may have strength to comprehend with all the saints what is the breadth and length and height and depth, and to know the love of Christ that surpasses knowledge, that you may be filled with all the fullness of God.*

Now to Him who is able to do far more abundantly than all that we ask or think, according to the power at work within us, to Him be glory in the church and in Christ Jesus throughout all generations, forever and ever. Amen.”
